PROFILE

As a proactive and dedicated student specializing in Information Technology with a BSc Honors, I am seeking an internship opportunity in the IT field to apply my academic knowledge in a practical environment. I aim to leverage my skills in software development, UI/UX design, and IT solutions to contribute effectively to organizational objectives. With a strong foundation in IT and hands-on experience in various technologies, I am eager to collaborate with professionals, engage in innovative projects, and gain industry exposure to further develop my career in information technology.
